Constitution Life Syrup

HAS PRODUCED

A REVOLUTION IN MEDICINE!

What may seem almost incredible, is, that many diseases hitherto considered hopelessly incurable are frequently cured in a few days or weeks, and we cheerfully invite the investigation of the liberal minded and scientific to cures which have no parallel at the present day.

Our medicine is peculiar; by it the seat of any disease is directly reached, and the equilibrium restored.

Those who have suffered long from painful and obstinate diseases; Those who have vainly sought relief from advertised medicines; Those who cannot be cured by other physicians—

Are Invited to Use Constitution Life Syrup.

During the past five years we have contended with obstacles and overcome opposition as herculean as were ever encountered by any reformers. RAPIDITY OF CURE.

Some say, "Your cures are too quick," while others doubt their permanence, and think that diseases can only be cured by the "slow recuperative process of Nature."

This is our reply: In health, the body, like a well balanced scale, is in a state of Equilibrium. But when, from any cause, down goes one side of the scales, we have the effects of disease. What is requisite is, to restore the normal balance of the scale.

Constitution Life Syrup.

A positive and specific remedy for all diseases originating from an IMPURE STATE OF THE BLOOD, and for all (hereditary) DISEASES transmitted from PARENT TO CHILD.

Hemiplegia, Paresis Paraplegia, Paralysis Agitans It is so universally admitted that Constitution Life Syrup is the only effective means of restoration in the various forms of Paralysis, that we need not reti-erate that it is emphatically the Great Life-Giving Power. DYSPEPSIA.

Indigestion. Liver Complaint. Weight at Stomach. Constipation. Biliousness. Want of Appetite. Flatulence. Bad Breath. SCROFULA.

Neuralgia. Gout. Sciatica. Tie Douloureaux. If there is any disease in which the Constitution Life Syrup is a sovereign, it is in Rheumatism and its kindred affections. The most intense pains are almost instantly alleviated—enormous swellings are reduced. Cases, chronic or vicarious, of 20 or 30 years' standing, have been cured by us. NERVOUSNESS.

Nervous Debility. Shattered Nerves. Epilepsy. St. Vitus's Dance. Loss of Power. Confusion of Thoughts. Thousands who have suffered for years will bless the day on which they read these lines. Particularly to weak, suffering women will this medicine prove an inestimable blessing—directing their footsteps to a Hope which fulfils more than it promises.

MERCURIAL DISEASES. Salivation. Rotting of Bones. Bad Complexion Aches in Bones. Feeling of Weakness. Depression of Spirits. CONSTITUTION LIFE SYRUP purges the sys-tem entirely from all the evil effects of MERCURY, removing the Bed Breath, and curing the Weak Joints and Bheumatic Pains which the use of Calo-

mel is sure to produce. It hardens St and secures the Teeth as firmly as ever. CONSTITUTION LIFE SYRUP Eradicates, root and branch, all Eruptive Diseases of

ULCERS, PIMPLES, BLOTCHES And all other difficulties of this kind, which so much disfigure the outward appearance of both males and females, often making them a disgusting object to themselves and their friends.

CONSTITUTION LIFE SYRUP Cures all Swelling of the Glands, Either of the Face, Neck, or Female Breast, and should be taken as soon as the swelling is detected, thus preventing their breaking, and producing troublescene Discharging Sores, which disfigure so many of the younger portion of the community, from six to twenty years of age. Young children are very subject to Discharges from the Ears, which depend upon a scrofulous constitution. These cases soon recover by taking a few doses of the Life Syrup. All scrofulous persons suffering from general Debility. Emaciation, Dyspepsia and Dropsy of the limbs, abdomen, and in the female, Dropsy of the ovaries and womb, generally accompanied with Indammation and Ulceration of the Uterus, are permanntly cured by Constitution Life Syrup. The disease known as Gottre or Swelled Nack, the Life Syrup will remove entirely. The remedy should be taken for some time, as the disease is exceedingly chronic and stubborn, and will not b removed without extra effort. Cures all Swelling of the Glands

chronic and stubborn, and will not b removed without extra effort.

Tumors of the ovaries, Tumors of the Breast, and
swelling of other glands of the body will be completely reduced without reserting to the knife, or
operations of any kind.

Epileptic Fits, Sympathetic or Organic Diseases of
the Heart, as Palpitation, Disease of the Valves,
producing a grating or filing sound, Dropsy of the
Heart Case, and all the affections of this important
organ (persons suffering from any acute pain in the
region of the heart), will be greatly relieved by Constitution Life Syrap.

PAPER HOUSE. GREAT REMEDY

CONSTITUTION And the only known Remedy

DIABETES and DISEASES of the KIDNEYS and BLADDER.

CONSTITUTION WATER

Has been pronounced by the Medical Faculty and the public, to be the most wonderful remedy for the per-manent cure of all diseases of the STOMACH, LIV-ER, KIDNEYS and BLADDER that has ever been

manont cure of all diseases of the SAU SLACE. THE R. K. IDNEYS and BLADDER that has ever been offered.

It is not a MINERAL WATER. It is from experience that CONSTITUTION WATER has emenated, and we now say let no man doubt, when a single bottle has been known to cure diseases which the best medical talent in the country failed to relieve. A remedy possessing the virtues of Constitution Water cannot be classed under "quack" preparations, as it is now used by the most scientific practitioners in the city. It is only second-class physicians that cry down popular remedies, while the better skilled make use of every means to accomplish a cure; and the success of the physician increases as his knowledge of different remedies enables him to produce a oure, while others fail in the attempt.—Science is satisfied with the truth.

Give Constitution Water a fair trial—we mean you who are under some specilast's care from year to year, and we particularly allude to ladies who are constantly resorting to LOCAL TREATMENT, and all sorts of local applications for diseases, with as much chance of success as there would be from local applications to the throat for diseases of the brain.

We have always been careful to use language in our circular that could not shock the most delicate organization, but we receive many communications from persons for whom Constitution Water is adapted, and of whose disease no mention has been made, that we have come to the conclusion that if the remedy is capable of producing a cure, no matter what the disease may be, it should be made known. The medicine is put up for the public and there should be no exceptions.

DIABETES

Is a disease of the stemach and liver, acting through the kidneys, and is without doubt, the most obstinate disease, except Consumption, that affects the human constitution. We have no space for discussing causes, but will state that the effect of the discase is the conversion of the starehy principle (or vegetable portion of the food) into sugar, which stimulates the kidneys to an excessive secretion of water. Many persons suffer from this disease who are ignorant of it; that is, they pass large quactities during the day, and are obliged to get up from one to fifteen or twenty times during the night. No notice is taken of it until their attention is called to the large discharge of water, and often when it is so far salvanced as to be beyond the control of ordinary remedies. Another symptom is the great thirst, which, when the disease is fully established, is intolerable—the patient drinks constantly without being attisped; also dryness of the mouth, cracking of the lips, a sweet breath, in the more advances cases, and finally loss of appetite, emaciation, and the patient gradually sinks from exhaustion.

Construction Water is, without doubt, the only known remedy for disobetes, and we have that opium will produce sleep, and truthfully say that it has cured every case in which it has been used.

Stone in the Bladder, Calculus, Grav-el, Brick Dust Deposit, Etc., Etc., Diseases arising from a faulty secretion—in the one case being too little, and accompanied by severe pain, and in the other a too profuse secretion—which will be speedily cured by the

DIABETES.

Irritation of the Neck of the Bladder, Inflammation of the Kidneys, Catarrh of the Bladder.

Stranguary, or Burning and Painful Urinating.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single lose has been known to relieve the most urgent symtoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of the Constitution Water will relieve you ike magic.

PHYSICIANS

Have long since given up the use of bucchu, ubebs, and juniper in the treatment of those diseases, and only use them for want of a better remedy.

CONSTITUTION WATER

Has proved itself equal to the task that has devolved upon it. DIURETICS

Irritate and drench the kidneys, and by constant use soon lead to chronic degeneration and confirmed disease.

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful for curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physican.

DANVILLE, PA., June 2, 1862.—Dr. Wr. H. GREGG—Deer Ner.—In February, 1861, I was afflicted with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours. I was obliged to get up as often as ten or twelve time during the night, and in five months I lost fifty pounds in weight. During the month of July, 1861. I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours, truly, J. V. L. DEWITT.

BOSTON CORNERS, N. Y., Dee. 27, 1861,—Wm. H. GREGG & Co.—Genter I freely give you liberty to make use of the following certificate of the value of Constitution Water, which I can recommend in the highest manner:—My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with Pajniation of the Heart and Irritation of the Bladier. Icalled a physician, who attended her about three me onths, when he left her worse than he found her. I then employed one of the best physicians I could find, who attended her for about ince months and while she was under his care and id not suffer quite as much pain. He finally gave her up, and said "her case was incurable. For," said he, "she has such a combination of complaints that medicine given for one operates against some other of her silictions. About this time she commenced the use of Constitution Water, and to our utter astonishment almost the first dose seemed to have the desired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a permae ont cure.

WETHERSFIELD, CORN., March 2, 1863.—Dr. W.
H. GREGG-Dear Sier: Having seen your advertisement of "Constitution Water," recommended for Inflammation of the Kidneys and irritation of the Bladder, having suffered for the past three years and tried the skill of a number of physicians with only emporary relief. I was induced to try your medicine. I produced one bottle of your agents at Hartford, Messrs. Lee Sisson & Co., and when I had need half of it to my surprise I found a great change in my health. I have used two bottles of it, and an where I never expected to be in my life, well, and in good spirits. I cannot express my gratitude for it; I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love. Kours, truly ors of love. LEONARD B. St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harrey Sickler, Esq., the able editor of the Tunckhannock Democrat, Fernsylvania.

Our only child, about three years of age, was attacked by pimples on his forelead. They rapidly spread until they formed a loatisome and viruent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nifrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, least with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing clee we had any hope from, we began giving your Samsaranitha, and applying the lodde of potash lotion, as you direct. The sore began to heal when we had finished the second. The child's eyelushes, which had come out, grew again, and he is now as! 'thy and fair as any other The whole neighborhous predicted that the child must die."

Mr. Chas S. Van Liew. of New Brunsuck, N. Few cases can be found more invelerate and distressing than this, and it took several dozen bottles to cure him. Leucorrhons, Whites, Female Weakness

A lady, unwilling to allow the publication of her

"My daughter and myself have heen cured of a very debilitating Leucorrhom of long standing, by two bottles of your Sarsarautilla."

Rheumatism, Gout, Liver Complaint, Dyspepsis, Heart Disease, Neuragin, when caused by Scrofula in the system, are rapidly oured by this Ext. Sarsarautilla.
